Half Moon Roundtable Questions

1- WHAT IS THE SIGNIFICANCE? Reflect on the historical wins of Social Movements at the UNFCCC-Conference of Parties - Why is Egypt COP27 important to the Climate Justice Movement and the Majority World/Global South/BIPOC communities around the world?

2- WHAT'S THE EVOLUTION? As a result of the negotiations, Share the evolution of & relationship to national/international policy that help and hurt BIPOC frontline communities, workers, and women most impacted.

3- WHAT'S THE DISRUPTION? CrowdSource how to creatively disrupt business as usual - after 3 decades of global incremental climate negotiations that have run their course. What is highly doable and creatively disruptive?

Ripe for Creative Disruption

An Environmental Justice Movement Fellowship

LIVE STREAM CLOSED

The Tishman Center is grateful to the PreCOP27 speakers, and their frontline communities for their sustained struggle for Climate Justice.

Thank you for watching via Live Stream

Use Hashtag **#EJDisruptDesign**
#ClimateWeekNYC **#PreCOP27**

Appreciations to The New School, Tishman Environment & Design Center & the *Ripe for Creative Disruption* Staff & Tech team.

Recording will be made available on the Tishman Environment and Design website and all Questions will be shared with Speakers

How Might We...
creatively disrupt the
business as usual of
international climate
negotiations in Egypt (&
elsewhere) given what we
discussed today & what we
know of future movement
visions for Climate Justice?

BREAK OUT

7 mins BRAINSTORM: There are no bad ideas! Get as many as you can, don't limit yourselves, think about what you can do here, in the room at COP, elsewhere?

5 mins to Pair Share your top 1-2 ideas pass those ideas forward to group moderator.

Note to Facilitators: After getting most "disruptive" ideas, collect remaining cards

2 mins Moderators Rapid ID Top Disruptive ideas to report out.

15 mins /5 min each group- Full Report Out on what's Ripe for Creative Disruption
