The background image shows a modern interior space, likely a library or study area. On the left, there is a long, dark wooden table or counter that runs along a large window. The window looks out onto a city street with several multi-story buildings. The interior has a high ceiling with recessed lighting and a polished floor that reflects the light. In the background, there are more tables and chairs, and a few people are visible sitting at the tables. The overall atmosphere is bright and open.
