

Tishman Environment and Design Center:

CLIMATE WEEK

September 15th-30th 2022

QR Code to the Climate Week Hub:

During September 15th-30th, The Tishman Center will be holding events for Climate Week. Please join us for these opportunities to connect on topics including dealing with emotions around the climate crisis, a Pre-COP event and a campus sustainability town hall. Keep an eye on this hub to register and see when new events will be available!
