Donate Reusable Materials and Supplies December 14-21

 **good-as-new** The Tishman Environment and Design Center is partnering with the [Making Center at Parsons](#) to collect leftover or unused school supplies and materials at the end of the semester. Help us keep reusable items out of landfills! Students from across The New School can bring supplies and materials to the Making Center on the second floor of the Sheila C. Johnson Design Center at 66 Fifth Avenue and 2 West 13th Street. Donations will be stored and sorted

over the winter break, then they will be available for pick-up for FREE at the start of the Spring semester. Donations will be accepted December 14-21.
