# TISHMAN ENVIRONMENT AND DESIGN CENTER

Join the TEDC team! This new grant opportunity is open to all New School students. If you want funding for an idea that creates positive environmental change through your own unique expertise, apply to become a TEDC Scholar!

## What you'll get:

Up to \$5,000 to fund your own project related to sustainability issues through the lens of design, policy, art, or social justice Up to an additional \$2,500 to serve as a Research Assistant at TEDC Professional mentoring from TEDC staff and faculty An opportunity to join TEDC, an integral component of The New School's work on climate change and sustainability

Submit ideas that address critical environmental issues generated by the impacts of climate change and other environmental threats to community well-being and social justice. Projects of all types are welcome:

new products or services social ventures policy-oriented initiatives performance projects documentary films technology apps game design fashion design anything else

# WHAT'S YOUR GREAT SUSTAINABILITY IDEA? TEDC WANTS TO FUND YOUR VISION!
