LEAP Entrepreneurship Club Partners With Sure We Can During Earth Week

LEAP Entrepreneurship Club is
partnering with [Sure We Can](#)

Recycling Center during Earth Week
to collect plastic bottles and
aluminum cans at The New School,
which will support Sure We Can's

mission to support the local community, particularly the most vulnerable residents, and promote social inclusion, environmental awareness, and economic empowerment.

Look out for donation spots in the **University Center lobby**, the **Making Center** on the second floor of 2 West 13th Street, and the **Innovation Center** on the 6th Floor of 6 East 16th Street.

Then join LEAP at Sure We Can on Earth Day, April 22nd for a volunteer day! See full details on the flyers below:
