# International Affairs Alumus Seeks grant- writer and marketing intern for renewables startup

Since graduating in 2016, International Affairs alumnus Thomas Disley has been working with i4SD, a social enterprise with the mission to see universal access to affordable and modern energy services. The organization is currently scaling up from pilots in Sub-Saharan Africa and Latin America, and seeking additional team members for the New York Office. Click the links to learn more about the available positions as [Marketing Intern](#) or [Grant Development Lead](#). Contact Thomas at [dislt258@newschool.edu](mailto:dislt258@newschool.edu) to apply.
