As the semester and academic year come to a close, we would like to thank all of you for reading our blogs, attending the events we have put on and taking actions to influence our

campus and world in a positive way. Speaking of ways to help out in a positive way, if you have stuff left in your locker, dorm room or apartment that is gently used and would otherwise go to the landfill, we have an alternative for you! The Spring 2019 Good as New materials collection will begin soon (May 10 in the dorms and in the Parsons Building at 2 W 13th street). Donation boxes will be put up with what kinds of reusable materials will be accepted. Be on the lookout for donation boxes at those locations and more if needed. We hope that you have a great summer break and be on the lookout for more Tishman Center news over the summer. Make sure to keep the conversation going with us on [Facebook](#) and [Twitter](#) as well!
