

TISHMAN CENTER · FEBRUARY 21, 2017

oikos NYC to host first weekend workshop

[oikos NYC](#) is hosting it's 1st ever weekend workshop!

TED-style talks will be given by [Citizens' Climate Lobby](#) on current legislation- what policies are we pushing for locally, what can we do? [Climate Nexus](#) on climate change communication- how do we break through to climate deniers? Professor [Jamee Moudud](#) on the impact of law on environmental policy...and more.

Followed by breakout sessions where we will be getting off our academic armchairs, working together interactively to tackle issues related

oikos NYC to host first weekend workshop — Tishman Environment and Design Center
to design, ecology, law, political
economy, media and politics.

Join oikos NYC for breakfast, lunch,
coffee, and a small reception! Free
and open to all. [Please RSVP](#)
